## About ICSSR

The Indian Council of Social Science Research (ICSSR), New Delhi (India) established in 1969 by the Government of India. It provides grants for projects, fellowships, international collaboration, capacity building, survey, publication etc. to promote research in Social Science in India.

## About the college

Sri Tika Ram Kanya Mahavidyalaya, Aligarh, a premier, prestigious and only grant-in-aid Girls' College in the city, has been continuously illuminating the women-youth with knowledge for more than six decades, making them self-reliant and contributing in Nation-building. It was established in 1957 by Hindu Girls' Education Society and is affiliated to Raja Mahendra Pratap Singh State University, Aligarh. It is a renowned Girls' College situated in Doab region. It is known as educational light house and landmark serving for women - education welfare with the motto

‘यत्र नार्यस्तु पूज्यन्ते, रमन्ते तत्र देवताः’

## About the District:

Aligarh is a prominent district of the Northern Indian State, Uttar Pradesh. It is 140 km away from National Capital New Delhi. The district is considered as a hub of Higher Education with a Central University A.M.U., 6 Government colleges, 3 Grant-in-aid colleges and many Self-finance colleges affiliated to Raja Mahendra Pratap Singh State University, Aligarh. It is internationally famous for Locks and Hardware Industry as well as for Jain's pilgrimage Mangalayatan Temple.

## Objectives of the proposed Seminar

### **The present Seminar focuses on following objectives:**

- To analyze the role of AI in achieving the objectives outlined in NEP 2020, emphasizing personalized learning, efficient assessment, and administrative efficacy.
- To showcase innovative AI-driven solutions in education and their alignment with NEP 2020 goals.
- To examine ethical dilemmas arising from AI adoption, including bias mitigation, data privacy, and the impact on student well-being.
- To explore regulatory frameworks and governance mechanisms necessary for overseeing AI applications in education.
- To facilitate dialogue among stakeholders to develop ethical guidelines and best practices for AI-driven education within the NEP 2020 framework.
- To identify strategies promoting transparency, accountability, and equity in AI deployment within educational settings.

## Concept Note

The National Education Policy (NEP) 2020 in India advocates for a holistic and technology-driven approach to education, aiming to transform the learning landscape through the integration of Artificial Intelligence (AI). As AI gains momentum in educational practices, it is essential to address the ethical and governance challenges to ensure responsible and equitable deployment. The seminar generates actionable recommendations for policymakers to develop and implement policies that promote transparency, accountability, and equity in AI deployment within educational settings. Overall, this seminar empowers teachers, researchers and policymakers with the knowledge, resources, and strategies needed to navigate the ethical and governance challenges of AI integration in education. By fostering collaboration, community engagement, and informed decision-making, teachers and policymakers can develop policies that harness the potential of AI to enhance learning outcomes, promote innovation, and advance the goals of NEP 2020.

## Sub-themes of the Seminar: Topics of interest for submission include, but are not limited to :

1. Personalized Learning with AI: Exploring adaptive learning systems, intelligent tutoring, and data-driven pedagogy.
2. AI in Assessment and Evaluation: Discussing automated assessment tools, plagiarism detection algorithms, and predictive analytics.
3. Ethical Challenges in AI-Driven Education: Addressing bias, privacy concerns, and the impact on student well-being.
4. Regulatory Landscape and Policy Implications: Examining legal frameworks, data protection regulations, and oversight mechanisms.
5. Ethics by Design: Integrating ethical considerations in AI development, emphasizing transparency and human oversight.
6. AI transforms Art & Culture
7. Sociological, Economical and Political Perspectives of Artificial Intelligence and Typological Reading
8. Use of AI tools in Teaching Languages
9. Challenges in Teaching and Learning Visual and Performing Art in Context AI
10. Artificial Intelligence : A powerful paradigm in Labs and Scientific Researchers.

### Submission Guidelines

Abstract are invited from academicians, research scholars and students on the themes mentioned. The length of abstract must be between 200 to 300 words and the full length paper should be around 3000 words. It should be written in **Times New Roman with 12 font size with single line space or 1.5 / Krutidev 010 with 14 font size with a line space of 1.5. in only word file.** The paper and the abstract should be sent to **strkm.icssr2024@gmail.com**

## Important Dates

Last date for  
submission of  
abstract with  
Registration  
Fee

**15 July 2024**

Last date for  
the full  
paper

**30 July 2024**

## Registration Fee

Payment details*	Offline/Online Mode
<b>Academician</b>	1000 INR.
<b>Research Scholar/Student</b>	800 INR.
