

IQAC REPORT 2024-25

Under IQAC, Sri Tikaram Kanya Mahavidyalaya, Aligarh, organized a National Seminar titled “Impact of Artificial Intelligence on Ethics and Governance in Education within NEP-2020” on August 16–17, 2024. Sponsored by the Indian Council of Social Science Research (ICSSR), New Delhi, the seminar brought together academics, researchers, and policymakers to explore the ethical and governance-related challenges posed by the integration of AI in education. The event featured keynote speeches, paper presentations, and discussions highlighting the role of AI in reshaping education under NEP-2020. The seminar emphasized the need for responsible implementation and policy reforms to ensure equitable, ethical use of AI in education.

Under the guidance of the Internal Quality Assurance Cell (IQAC), the Academic Audit for all departments was successfully conducted during the months of November and December. This comprehensive audit covered the academic years from 2019 to 2024 as part of the preparation for NAAC assessment. The process ensured a thorough evaluation of academic performance, curriculum implementation, and quality enhancement measures. The findings and feedback from the audit will contribute significantly to strengthening academic standards and institutional effectiveness in alignment with NAAC criteria.

Under the supervision of the Internal Quality Assurance Cell (IQAC), the college has successfully completed the registration of Faculty Members on the Samarth portal. This initiative marks an important step towards enhancing administrative transparency, streamlining academic processes, and aligning with digital governance practices promoted by regulatory bodies. The successful registration with required reflects the college’s commitment to institutional efficiency and readiness for future evaluations and accreditations.

Under the guidance of the Internal Quality Assurance Cell (IQAC), the college has successfully submitted the required data for the National Institutional Ranking Framework (NIRF) for the academic year 2024–25. This submission reflects the institution’s commitment to maintaining transparency, accountability, and continuous quality enhancement in line with national benchmarks.

Under the supervision of the Internal Quality Assurance Cell (IQAC), the research admission process was successfully completed. The process was conducted in a transparent, systematic, and merit-based manner, ensuring compliance with institutional and regulatory guidelines. This reflects the college’s ongoing commitment to promoting quality research and academic excellence.

Under IQAC, the live telecast of Semicon India 2024 was viewed by students at Shri Tikaram Kanya Mahavidyalaya on 11th September 2024. Hon’ble Prime Minister Narendra Modi inaugurated the event and emphasized the importance of semiconductors. Chief Minister Yogi Adityanath highlighted growing scientific and industrial opportunities in Uttar Pradesh. Around 55 students participated
